[Intro]

She got her hands up high up high
She got her hands up high up high
She got her hands up high up high
Up high

[Verse 1]

She's the kinds of girl that I'm missing
Need her rocking my side
Make me wanna shoot it like a missile
Then then she love me all the time
Wait till you feel it all night
Bet that would make you smile
Then I'll have you covered
Red red red all up inside

[Hook]

It completes me
When you need me
(when you say that you need me)
Automatic, my reaction

[Chorus]

Carry on in love
And I cannot lie
Gonna fall for her
Til the end of the night
She got that bomb bomb cherry bomb bomb
Bomb bomb cherry bomb
She got that bomb bomb cherry bomb bomb
Bomb bomb cherry bomb

She got her hands up high up high
She got her hands up high up high
She got her hands up high up high

Up high

[Verse 2]

Girl it dont even matter
Cuz we're on another level
Cant nobody even touch it

Yeah yeah yeah you gotta love it
Wait till you feel it all night
Bet that would make you smile
Then I'll have you covered
Red red red all up inside

[Hook]

[Chorus]

She got that bomb bomb cherry bomb bomb
Bomb bomb cherry bomb
She got that bomb bomb cherry bomb bomb
Bomb bomb cherry bomb

[Verse 3]

Don't stop (don't stop)
Cuz I'm wearing (i'm wearing)
Green all (green all)
Its the business (Its the business)
Don't stop (don't stop)
Cuz I'm wearing (i'm wearing)
Green all (green all)
Its the business (Its the business)
I wanna love ya, all over
Cuz the way you been loving me
I wanna love ya, all over
Cuz the way you been loving me

[Chorus]
