Oh, oh, oh,
Find light in the beautiful sea
I choose to be happy
You and I, you and I
We're like diamonds in the sky!
You're a shooting star
I see a vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky!

I knew that we'd become one right away
Oh, right away
At first sight I felt energy of sun rays
I saw the life!
So shine bright tonight, you and I
We're beautiful like diamonds in the sky!
Eye to eye, alive
We're beautiful like diamonds in the sky!
Shine bright like a diamond
Shine bright like a diamond
Oh no, oh
We're beautiful like diamonds in the sky!

Palms rise to the universe as we moonshine
Feel the warmth, we'll never die
We're like diamonds in the sky
You're a shooting star
I see a vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky

I knew that we'd become one right away
Oh, right away
Shine bright tonight, you and I
We're beautiful like diamonds in the sky!
Eye to eye, alive
We're beautiful like
Oh, no, no, noooo
Beautiful like diamonds in the sky
No, no, no, no
Beautiful like diamonds in the sky!

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
Shine bright tonight, you and I
Eye to eye, alive
We're beautiful like diamonds in the sky!
Oh no, nooo
We're beautiful like diamonds in the sky!
Oh, oh, oh, oh
We're beautiful like diamonds in the sky!
