It's gonna be nice  
I know I'm gonna get into some trouble  
And it started right now  
She's really pretty young  
She's gonna be my boo tonight

Chorus

Pop pop pop them â€¦  
Pop pop pop that body  
On me  
Take take take this  
Take take take my number  
I'm about to explode  
We can go all night  
We can dance all night  
We can  
You are a fire cracker  
Give me the free lights  
Work my left and right  
You are a fire cracker

It's getting hot  
We're dancing so damn close  
Got me kind of happy  
I know I got a girl  
But she don't have to know  
We can keep it hush

Chorus

Let's pretend like it's the 4th of July  
And you are the fireworks in the sky  
Go ahead show your color  
Show me who you really are  
Inside

We can go all night  
We can dance all night  
We can  
You are a fire cracker

Give me the free lights  
Work my left and right  
You are a fire cracker

You are on fire  
Fire fire fire
