I always knew I would regret it  
What I did with that girl that night, yeah  
I don't wanna go there no more  
Don't wanna lose your love no more, no

'Cause every time you left me  
You know you left a scar  
There's this one thing we got  
We're still thinking 'bout each other  
We're still gonna be in love  
Even if it ain't with each other

Don't matter what I did  
'Cause we're still in love  
'Cause our hearts on fire  
'Cause our hearts on fire  
And I know it hurts when I walk away  
When our hearts on fire  
When our hearts on fire

I called your number would you,  
Pick up the phone and talk to me, yeah  
If my last day on this earth was,  
Today would you come running for me, yeah

It don't matter what her name was  
She can't even walk in your shoes, hey  
There's still one thing I got  
I keep thinking about that summer

When you told me we could go  
Take this a little bit further

Don't matter what I did  
'Cause we're still in love  
'Cause our hearts on fire  
'Cause our hearts on fire  
And I know it hurts when I walk away  
When our hearts on fire  
When our hearts on fire

My heart was burning

When you left me, ooh baby eh  
My heart was burning  
When you left me  
But now you're back back  
Baby now you're back  
Now I got you  
Baby now you're back  
Now my heart is burning with love  
Oh

Don't matter what I did  
'Cause we're still in love  
'Cause our hearts on fire  
'Cause our hearts on fire  
And I know it hurts when I walk away  
When our hearts on fire  
When our hearts on fire
