(Verse)

Wo-oh-oh

Wo-oh

Hit me on my phone

Said she had the crib in the South

Please coming on

But you gotta know I'm on my pride

Long as you understand

Can't make no promises

Can be your friend

(Pre-Chorus)

And we won't stop 'til one of us pass out

Give it up shawty I'mma knock you back out

Get a better reevee you feeling down, down

'Cause we, we be running running

Oh this club can't even hold it, hold it

(Chorus)

'Cause when the lights go down

I come alive

When the lights go down

Set the club on fire tonight

Tonight, tonight, tonight

'Cause when the lights go down

I come alive

(Verse)

I tried to warn you I'm an animal

Won't be small baby and then drop that pants low, low

'Cause I don't care who's watching me

If you tweet pic this you ain't fuck with me

Yeah

(Pre-Chorus)

And we won't stop 'til one of us pass out

Give it up shawty I'mma knock you back out

Get a better reevee you feeling down, down

'Cause we, we be running running

Oh this club can't even hold it, hold it

(Chorus)

'Cause when the lights go down  
I come alive  
When the lights go down  
Set the club on fire tonight  
Tonight, tonight, tonight  
'Cause when the lights go down  
I come alive

(Bridge)  
Can't control my feelings,  
Can't keep my hands to myself  
I don't want to lose you,  
I keep thinking to myself  
'Cause when the lights go down  
We come alive  
I don't want to lose you tonight  
Here I'll be left in disaster

(Chorus)  
'Cause when the lights go down  
I come alive  
When the lights go down  
Set the club on fire tonight  
Tonight, tonight, tonight  
'Cause when the lights go down  
I come alive
