Just a little while baby, just a little of your time  
Just come a little bit closer, me love you long time,  
You meet in the sunset, your lips are sweet ..,  
I'm in love and now you got me uhh.

Kiss, kiss a little .., Kiss, kiss a little ..  
Work , work a â€¦  
Hold you so gentle ohh, hold youuu  
Kiss, kiss a little ..  
Work , work a â€¦  
Hold you so gentle ohh

Chorus:

Lady we could be together  
â€¦be my touch, I guess you want it,  
If you come around me, me love you long time.  
I guess we could be together  
â€¦be my touch, I guess you want it,  
If you come around me, me love you long time.

If you come around me, me love you long time.

Just listen to me baby, if you never been in love,  
I can make you an offer, me love you long time

Kiss, kiss a little .., Kiss, kiss a little ..  
Work , work a â€¦  
Hold you so gentle ohh, hold youuu  
Kiss, kiss a little ..  
Work , work a â€¦  
Hold you so gentle ohh.

Maybe we can be â€¦  
If you come around me, me love you long time.

Chorus:

Lady we could be together  
â€¦be my touch, I guess you want it,  
If you come around me, me love you long time.  
I guess we could be together  
â€¦be my touch, I guess you want it,  
If you come around me, me love you long time.

Come around me, me love you long time.  
Come around me, me love you long time.

â€¦

All I need

[Chorus:]

Ohhh

If you come around me, me love you long time
