I'm gonna kiss you right here, all up on that
I don't give a fuck about them, no
So I'ma eat your heart out, haters fall of
I'm a monster,
I lay you down, down, down, down
I'm a monster, I'm a monster, I'm a monster

Tell me! I'll take care of bizness
When it comes to you baby I can get the bizness
Tell me why they mad though, they can just fall off
Plus I got the power to make that !fall off
I know it may! bad
but ! you and me!
You're the one I want so they gonna have to take that
Baby what I want, so baby let me take that

Let me be mad, be mad, I'm a bad man
I get jealous if they like!
I can eat your heart out, eat your heart out
Eat your heart out
I, I, I started
Lay down, down, down
I lay you down, down, down, down
I'm gonna kiss you right here, all up on that
I don't give a fuck about them, no
So I'ma eat your heart out, haters fall of
I'm a monster,
I lay you down, down, down, down
I'm a monster, I'm a monster, I'm a monster

!when it comes to you, I go hard
Can nobody tell me baby that is over
Yes I'm a ! with no arm
They gotta see me, and we gonna take it over
!understand, understand, I'ma be the one
To call upon your man, on your man,
I can put it on you, hear me up
!baby hear me up

Let me be mad, be mad, I'm a bad man
I get jealous if they like!
I can eat your heart out, eat your heart out

Eat your heart out
I, I, I started
Lay down, down, down
I lay you down, down, down, down
I'm gonna kiss you right here, all up on that
I don't give a fuck about them, no
So I'ma eat your heart out, haters fall of
I'm a monster,
I lay you down, down, down, down
I'm a monster, I'm a monster, I'm a monster
â€¦girl you know we're winning

I'm gonna kiss you right here, all up on that
I don't give a fuck about them, no
So I'ma eat your heart out, haters fall of
I'm a monster,
I lay you down, down, down, down
I'm a monster, I'm a monster, I'm a monster.
