It's been 48 hours since I heard you say that you've
given up on this love of ours.
You said that you been here before, you can't take it no
more.
Countless mistakes, yeah.
I didn't wanna do it, take away your trust and starting
over, never could you do it.
And ooh, now I'm sitting here with a broken heart.
Can somebody replace it.
I need another patient (Ohh yeah)

I don't know the reason why, so many times I made you
cry.
If I could turn back the time, cross my heart and hope
to die.
Cause I got this broken heart and I wish that I could
glue it.
Cause I got this open heart and you could see right
through it.
I'm feeling so hurt cause your love keeps cutting me
deeper.
I need a love that close my heart

No, I can't stop my heart from bleeding.
Can't think of all the reasons (Why I) I deserted, hurt
you girl.
Could it be that I have changed, I'm going through
some things.
Tell me what I gotta do to make this situation change.
Cause the love that we used to have is playing in my
brain.
And the love that I had for you is causing so much pain.
And ooh, I can feel it. It's tearing me apart.
And ooh, taking me over - it's tearing up my heart.

I don't know the reason why, so many times I made you
cry.
If I could turn back the time, cross my heart and hope
to die.
Cause I got this broken heart and I wish that I could
glue it.
Cause I got this open heart and you could see right

through it.
I'm feeling so hurt cause your love keeps cutting me
deeper.
I need a love that close my heart

I can't go on without your love.
I ain't going, going, going, going.
Every step I take a second looking to see if you can
see.
I keep you seekin', seekin', seekin'
I can't climb out and I'm drowning in sorrow.
I just wanna wake up from this nightmare on tomorrow.
With you, can't let you go.

[X2:]
I don't know the reason why, so many times I made you
cry.
If I could turn back the time, cross my heart and hope
to die.
Cause I got this broken heart and I wish that I could
glue it.
Cause I got this open heart and you could see right
through it.
I'm feeling so hurt cause your love keeps cutting me
deeper.
I need a love that close my heart
