I feel like you have taken all away
Fold it into the way
It's so valuable how could you erase it away
Is my love is worth more than anything
Any man any dream any jewelry that I can give
Baby can you hear me

[Chorus:]

My heart is falling into pieces
Without you I am drawing so deeply
Baby I am riding to tell you
That no matter the weather we will still be together
You took my heart... river
And it hurts cause I...
You keep treating me like I have a paper a paper heart

Don't you know
Don't you know that I am counting the days
Ever since you walked away
That you took everything including the love of me
So why must I never hear you say
We can be together again
I have been wishing and dreaming
That I could see your face

[Chorus:]

My heart is falling into pieces
Without you I am drawing so deeply
Baby I am riding to tell you
That no matter the weather we will still be together
You took my heart... river
And it hurts cause I...
You keep treating me like I have a paper a paper heart

No bridge
Is just me
Want you to really feel it
Cause how you got me feeling
#I haven't felt like this in a long time
I am trying to make this work
Hey man play that guitar

[Chorus:]

My heart is falling into pieces

Without you I am drawing so deeply

Baby I am riding to tell you

That no matter the weather we will still be together

You took my heart... river

And it hurts cause I...

You keep treating me like I have a paper a paper heart

You took my heart... river

And it hurts cause I...

You keep treating me like I have a paper a paper heart
