Turn the lights out so I cannot see, bring you body right
next to me
(Ohh, ohh) Ohh (ohh)
I just wanna feel your spill. Take control above my...
Take me higher (x9)
See baby, my heart is achin, for your love.
Wont you give it, give it to me (e)

You and me in a room, all alone
I just wan hold along.
Can we play in the dark (x4)
Were waitin for all alone, if you're gonna share your
love, let me know
Can we play in the dark (x4)

I'm tryna read your prank cause I wanna know
Everything you want from me and more!
Cause I want you, want you
Hey, tell me all your fantasies
Blow it on me, baby please
Higher higher higher higher
Higher higher higher er er... (high vocals)

See baby! MY heart is acin! For your love!
Give it to, give it to me! Baby!
You and me in a room (you and me), all alone
I just wan hold along. (ooooohhh)
Can we play in the dark (x4)
(Ooho) Were waitin for all alone (ey),
If you're (YE) gonna share your love, let me know
(come one baby)
Can we play in the dark (x4)

Baby, can we play, in the dark? In the dark?
You and me in a room, all alone
I just wan hold along.
Can we play in the dark (x4)
Were waitin for all alone, if you're gonna share your
love, let me know
Can we play in the dark (x4)
