All I think about is what I'll do if you
We've met in every hour for hours
Got to take you away
Even if you are bagging for air
Shorty it's alright
You are worried about your ..
It's alright
You and me we can be free baby

Chorus

Cause you got me seeing stars
You knock me
Can I rock it with you (repeats)
(repeats)

Every time I see your face
Thoughts in my mind
Make it a .. to be in love with you

I've met an angle one a million
When I met someone like her
You and me can be free
Follow me

Chorus
