(Verse)

I didn't wanna be in love
Then I met you, you changed my mind
I was just trying to cut my tats away

I didn't want to be like you
Then you wanna be exclusive
Then you threw it all of me away

(Pre-Chorus)

Something that will never felt
All the girls say I'm the king of the bed
But I think I met my match

(Chorus)

I surrender ,
Can't fight against this love that I'm feeling
I surrender ,
I'm waving my white flag, yeah
Surrender

(Verse)

What have you done
Everybody knows I know
One woman mend to more

Ever since you left me girl
You knew I couldn't get over it
I promised I'll commit again

(Pre-Chorus)

Something that will never felt
All the girls say I'm the king of the bed
But I think I met my match

(Chorus)

I surrender ,
Can't fight against this love that I'm feeling
I surrender ,
I'm waving my white flag, yeah
Surrender

Giving in
Baby you want
I'm giving up all my love and my trust to you
To you

(Pre-Chorus)
Something that will never felt
All the girls say I'm the king of the bed
But I think I met my match

(Chorus)
I surrender ,
Can't fight against this love that I'm feeling
I surrender ,
I'm waving my white flag, yeah
Surrender
