Let's Go

I been shuttin down, everybodys leavin'
you're still on the floor (ohh)
and i look at you and you see me
but you ain't havin' it,
cause you know i did you wrong, ohh

if you give me a chance i can explain why it didnt work
no no
i proceed to the dancefloor
but you walk away, and i'm sayin' please don't go

take me back
can you please stay, it don't gotta end this way
woah oh woah oh
so let your mind be free
throw it all on me
i'm ready, take me back
take me back, back, back, back
back, back, back, back, back, back
so let your mind be free
throw it all on me
i'm ready, take me back

gotta couple of drinks in this ???
only way you're dancin' with me
but i know you gon' stop when your buzzers gone
then it's just gon' be (gon' be me gon' be me)
baby let me explain, what i did
if i could take it back
if i could dance on the moon,
i would dance just for you
if i could

take me back
can you please stay, it don't gotta end this way
woah oh woah oh
so let your mind be free
throw it all on me
i'm ready, take me back
take me back, back, back, back
back, back, back, back, back, back

so let your mind be free
throw it all on me
i'm ready, take me back

baby give me a chance,
i won't do you wrong
like i did once before
yeah, i was wrong
can you take me back, take me back
take me back
ohhh (take me back)

take me back
can you please stay, it don't gotta end this way
woah oh woah oh
so let your mind be free
throw it all on me
i'm ready, i'm ready
take me back, back, back, back
back, back, back, back, back, back
so let your mind be free
throw it all on me
i'm ready, take me back

take me back
oh take me back
let's go!
