Ooh, ooh, ooh,

Yeah

I don't care, I'm not listening
I got my hand to the clouds baby
And even though they say that I'm a dog
And I'm a rebel but I'm rebelling for you
'Cause it don't matter how they feel

The only thing I'm worried about is you
The only one I care about is you
So they can tell the world,
That I'm head over heels in love

Sticks and stones they may break your bones,
But my love for you will always be
Unbreakable, unbreakable
And even though there are times we may give up
They can't harm us
They don't mean more than just sticks and stones
Unbreakable, unbreakable

Yeah

We got this
Don't even trip about what you heard
It's a lie
You know me better than that cause I
Know that our love can conquer all
Know that it's stronger with years,
That we've built up our trust
Nobody can break it, I won't let nobody

Nobody can break it yeah

The only thing I care about is you,
And the only girl I think about is you

Sticks and stones they may break your bones,
But my love for you will always be
Unbreakable. unbreakable
And even though there are times we may give up
They can't harm us

They don't mean more than just sticks and stones
Unbreakable, unbreakable

So ladies if you got a jealous chick all up in your
business, tell her
Hey fellas, if you tired of hearing your name running
out out fame, oh tell 'em
Kick rocks, kick rocks, kick rocks, kick rocks
Kick rocks, kick rocks, kick rocks, kick rocks

Sticks and stones they may break your bones,
But my love for you will always be
Unbreakable, unbreakable
And even though there are times we may give up
They can't harm us
They don't mean more than just sticks and stones
Unbreakable, unbreakable

Say ooh, unbreakable no no
Say ooh, unbreakable
Ooh, baby
Sticks and stones may break your bones,
But my love for you will always be unbreakable
