(Verse)

Left your heart on the driveway  
With no thought of coming back  
It's my way or the highway  
So glad but now I'm flyin free  
Only one I cared about was me  
I don't love you no more

(Bridge)

When she tells you she loves you  
Believe her, believe me  
Baby girl don't trust me  
I don't deserve it, I don't deserve you

(Chorus)

Youuuuuu  
When she tells you  
When she tells you  
She loves you

(Verse)

Broken hearts - all we left with baby  
'Cause your heart said I can't love you back  
Deep in love with someone else  
Wish I could give your time back  
And now you crying late in the night  
Saying that you want that girl  
The other girl will gotta let me go

(Bridge)

When she tells you she loves you  
Believe her, believe me  
Baby girl don't trust me  
I don't deserve it, I don't deserve you

(Chorus)

Youuuuuu  
When she tells you  
When she tells you  
She loves you

(Verse)

Tear it up, tear it up  
All my photographs  
Burnin up, burnin up  
All my letters  
Should be easy for you to forget me  
Iâ€™m the wrong guy, you wonâ€™t miss me

(Bridge)

When she tells you she loves you  
Believe her, believe me  
Baby girl donâ€™t trust me  
I donâ€™t deserve it, I donâ€™t deserve you

(Chorus)

Youuuuuuu  
When she tells you  
When she tells you  
She loves you

She loves you
