What if I told you
It was all meant to be
Would you believe me
Would you agree
It's almost that feeling
That we've met before
So tell me that you dont think I'm crazy
When I tell you love has come here and now

(Chorus)

A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this

Everything changes
But beauty remains
Something so tender
I can't explain
Well I may be dreaming
But still lie awake
Can we make this dream last forever
And I'll cherish all the love we share

(Chorus)

A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this

Could this be the greatest love of all
I wanna know that you will catch me when I fall
So let me tell you this
Some people wait a lifetime

For a moment like this

Some people spend two lifetimes

For a moment like this

Some people search forever

For that one special kiss

Oh I can't believe it's happening to me

Some people wait a lifetime

For a moment

Like this

Oh like this

Some people search forever oh yeah

Some people wait a lifetime

For a moment like this
