oh babe  
ohh baby yeah

let me say,  
i've been jones'in girl  
ive never been that kind  
but anyway, u aint knowin girl  
got me twisted out my mind  
every time that ur around  
i forget about my responsibilities  
every second that i get  
use it to connect  
you just say u'll be with me

### CHORUS

im willing to do  
everything i know i'm not supposed to  
anything it takes for me to show you  
how i feel i dont care  
whatever ive gotta do  
girl i'm gettin through to u  
i'm willin to move  
anyway u go i'm gonna roll wit u  
quit my job  
and all we gonna do is  
make love all night, aww yeah  
we'll be doin things that we're not supposed to

so let me stay  
girl i promise you  
i'll put u first in my life  
i throw away my list of things to do  
my commitments all behind  
well i know i shouldnt be  
droppin everything  
but i cant help myself  
cuz id rather be with you  
feel required to  
follow the rules like everyone else

Chorus

here's what i'm talkin about  
blow off other plans  
just so i can take you out  
call me up  
anytime you want  
cuz i'll be available  
ill fit u in my schedule  
jump in the car  
speedin down the avenue  
not a damn thing  
anyone can do  
cuz girl im not afraid to break the law  
as long as i can do my time with you

Chorus 2x

we'll be doin things, baby  
makin u say my name, ohh
