Ah babe, oh, baby, yeah  
Let me say, ive been jonesin girls  
And ive never been that kind  
But anyway, you aint knowin girl  
Got me twisted out my mind  
Everytime that you're around  
I forget about, my responsibilities  
Every second that i get  
Ill use it to convince  
Til you say you'll be with me  
Im willin to do  
Everything i know im not supposed to  
Anything it takes for me to show you  
How i feel, i don't care  
What have i got to do  
Girl im gettin through to you  
Im willin to move anywhere you go  
Im gonna roll wit you  
Quit my job and all we do is make love all night  
Ah yeah, well be doin things that were not supposed to  
So baby stay, girl i promise to  
Put you first in my life  
Ill throw away my list of things to do  
Leave my commitments all behind  
Well i know i shouldn't be droppin everything  
But i can't help myself  
Cause I'd rather be with you  
If were required to  
Follow the rules like everybody else  
Im willin to do  
Everything i know im not supposed to do  
Anything it takes for me to show you  
How i feel, i don't care  
What have i got to do  
Girl im gettin through to you  
Im willin to move anywhere you go  
Im gonna roll wit you  
Quit my job and all we do is make love all night  
Ah yeah, we'll be doin things that were not supposed to  
Oo, heres what im talkin bout  
Blowin farther plans, just so i can take you out  
Call me up, anytime you want cause i

Ill be available, I'll fit you in my schedule  
Jump in the car, speedin down the avenue  
Not a damn thing, anyone can do  
Cause girl im not afraid to break the law  
As long as i can do my time with you  
Im willin to do (im willin)  
Everything i know im not supposed to (not supposed to do)  
Anything it takes for me to show you  
How i feel, i don't care  
What have i got to do  
Girl im gettin through to you  
Willin to move anywhere you go  
Im gonna roll wit you (roll)  
Quit my job and all we do is make love all night  
Ah yeah, well be doin things that were not supposed to (not supposed to)  
Im willin to do  
Everything i know im not supposed to (i wanna do it baby)  
Anything it takes for me to show you (yeah yeah yeah)  
How i feel, i don't care  
What have i got to do  
Girl im gettin through to you (yeah yeah)  
Im willin to move anywhere you go  
Im gonna roll wit you (im gonna roll)  
Quit my job and all we do is make love all night  
Ah yeah, well be doin things that were not supposed to (..posed to)  
We'll be doin things, baby  
Makin you say my name, oh, oh yeah
