For once in my life
I have someone who needs me
Someone I needed so long
For once unafraid
I can go where life leads me
And somehow know I'll be strong

For once I can touch
What my heart used to dream of
Long before I knew, ooh
Someone warm like you
Would make my dreams come true, yeah
(For once in my life)

For once in my life
I won't let sorrow hurt me
Not like it's hurt me before
(Not like it's hurt me before)
For once I have something
I know won't desert me
I'm not alone any more
(I'm not alone any more)

For once I can say
This is mine, you can't take it
As long as I know
I've got love, I can make it

For once in my life
I've got someone who needs me, yeah
(Someone who needs me)
Someone who needs me
(Someone who needs me, yeah)

For once in my life
Someone who needs me

For once in my life
(For once in my life)
I won't let sorrow hurt me
Not like it's hurt me before
(Not like it's hurt me before)

Oh, for once I have something
I know won't desert me
I'm not alone anymore
(I'm not alone anymore)

For once I can say
This is mine, you can't take it
As long as I know
I got love, I can make it

For once in my life
I've got someone who needs me, yeah
(Someone who needs me)
Someone who needs me, yeah
(Someone who needs me, yeah)

Someone who needs me, yeah
Someone who needs me, yeah
Someone who needs me, yeah
Someone who needs me, yeah
