Its not what you do
Its what you say
I heard things about you
Around the way
I don't know if it's true
Im just sayin
Words have a strang way of haunting you
But ive been
Feelin low and wishin i
I could put my trust in you
Everyones tryin to make it hard to do
Then i
Want to believe you when you say
Say they got it in for you
Tell me what to do cause
I don't know
If you wanna be if you wanna be with me
Baby all i need
If you wanna be with me, honesty
No more lies
If you wanna be, if you wanna be with me
Next time please think twice
Wanna wanna, if you wanna be with me, yeah yeah, oh
When i hold you tight
Through the night
You feel so good inside
Still somethin just aint right
My boys still are tellin me
You got another life
One that you keep from me
And that aint right
If you love my time...its in my eyes
Cause im all about you baby, im all about you baby
And if you can't say those things too i can
I can do without you baby
Ill find another lady
I don't know
If you wanna be, if you wanna be with me
All i need, all i need
Honesty, ow
No more lies, no more lies
If you wanna be with me, got those dirty eyes

Please think twice
Wanna, wanna, if you wanna be with me
I can see you're (yeah yeah) lyin, lyin
To my face babe (yeah), baby ive been tryin
To understand, understand, what's really goin on, goin
on
Baby girl just make up your mind
I don't know
If you wanna be, if you wanna be with me
All i need
Duh duh duh duh duh, honesty
Baby no more lies
If you wanna, if you, if you wanna be with me
Please think twice
Baby girl i give you my life
I don't know
If you wanna, if you, if you wanna be with me
All i need (woo)
If you wanna be with me, honesty
No more lies, don't know why you're makin me cry
I can't believe you
Wanna wanna wanna wanna, yeah yeah
All about you babe, all about you babe
Its not what you do
All about you babe, babe, babe
What's that strange way im flirtin you
Got those dirty eyes, oh
Wanna wanna
I don't know
