### "In The Still Of The Night"

In the still of the night I held you  
I held you tight  
Oh I love, love you so  
Promise I'll never let you go  
In the still of the night (in the still of the night)

I remember that night in May  
When the stars were bright above  
I'll hope and I'll pray  
To keep your precious love  
So before the light hold me again  
With all of your might  
In the still of the night

Shoo wop, shoo wop, shoo wop, shoo wop  
Shoo wop, shoo wop, shoo wop, shoo wop, whoah  
Shoo wop, shoo wop, shoo wop, shoo wop  
Shoo wop, shoo wop, shoo wop, shoo wop  
So before the night hold me again  
With all of your might  
In the still of the night (in the still of the night)  
In the still of the night

Whoah, all of your might  
Oh, aaeeee, whoah, yeah, yeah  
Of the night  
In the still of the night.
