### "Just Squeeze Me"

Treat me sweet and gentle  
When you say goodnight  
Just squeeze me  
But please don't tease me

I get sentimental  
When you hold me tight  
Just squeeze me  
But please don't tease me

Missing you since you went away  
Singing the blues away each day  
Counting the nights and waiting for you

I'm in the mood to let you know  
I never knew I loved you so  
Please say you love me too

When I get this feeling  
I'm in ecstasy  
So squeeze me  
But please don't tease me

*[...interlude...]*

When I get this feeling  
I'm in ecstasy  
So squeeze me  
But please don't tease me
