Do you ever get the feeling  
That it's all coming true  
And it's all being realised by you  
Do you ever get the feeling  
What was prophesied was true  
And it's all being witnessed now by you.

The faces of the children  
In the artist's loving hands  
Are all returning  
Into sand  
The waters of the oceans  
Like the rivers running dry  
It brings a tear to your eye  
Don't let terra die.

Do you ever get the feeling  
That it's all coming true  
  
And it's all being recognised by you  
Do you ever get the feeling  
Nostradamus told us true  
And it's all being witnessed now by you.

The waters of the oceans  
Like the rivers running dry  
It brings a tear to your eye  
The faces of the children  
In the artist's loving hands  
Are all returning  
Into sand  
And slipped right through our hands.

Do you ever get the feeling.
