Oh, I dreamed last night I was hearing
Hearing your voice
And the things you said well, they left me
Left me no choice

And you told me we had the power
And you told me this was the hour
But you don't know how
If I could show you now

Well, I dreamed last night you were calling
Calling my name
You were locked inside of your secrets
Calling my name

And you told me lost was the key
And you told me how you long to be free
But that you don't know how
Oh, let me show you now

Like a bird on a far distant mountain
Like a ship on an uncharted sea
You are lost in the arms that have found you
Don't be afraid, love's plans are made
Oh, don't be afraid

If there's a time and a place to begin love
It must be now, let it go, set it free

Oh, I dreamed last night I was hearing
Hearing your voice
Why did you say those things that have left me
Left me no choice?

When you told me we had the power
Why did you tell me now was the hour?
But you don't know how
Oh, let me show you now

Like a bird on a far distant mountain
Like a ship on an uncharted sea
You are lost in the arms that have found you

Don't be afraid, love's plans are made
Oh, don't be afraid

If there's a time and a place to begin love
It must be now, let it go, set it free

Oh, I dreamed last night I was hearing
Hearing your voice
