You don't need to ask me
If I'll be your friend, I am, I am
You don't need to ask me
If I'm sure my friend, I am

I am your friend, you must remember me
I'm the one who saw through the world's disguise
Took away its cloak and made it hide from me
Remember me?

Walking on this Earth
Finding you, you, you
Walking on this Earth
Finding you, you, you
What can I say?
You don't need to find the words
To say what's on your mind

If you need a reason
To begin again, I am, I am
You will find an answer
At your journey's end, I am

Waiting there, my friend
You must remember me
I'm the one who knew you when
I'm the one you call your friend
Feel free, remember me

Walking on this Earth
Finding you, you, you
Walking on this Earth
Finding you, you, you
What can I say?
You don't need to find the words
To say what's on your mind

Walking on this Earth
Finding you, you, you
Walking on this Earth
Finding you, you, you
What can I say?

You don't need to find the words
To say what's on your mind

Walking on this Earth
Finding you, you, you
Walking on this Earth
Finding you, you, you

Walking on this Earth
Finding you, you, you
You, you, you, you
