

Carter's Chord "Different Breed"

Visit "[Different Breed](#)" on MotoLyrics.com

They've got shiny cars and polished nails
Yeah, those girls they've got everything right
They've got fancy clothes, perfect hair, steady lives
But I don't

They're the first to send out thank you notes
They've got well kept homes to entertain
They'll do anything just to please you
But I won't

If these are the girls that you choose
What makes you think I'd be good for you?

Can you tell me, baby
What do you see in me?
I'm a fast ride, I'm a crashing tide
And I'm crazy

Can you tell me, baby
What do you see in me?
You've loved a long line of consistency
I'm a different breed

Every time you take me out, boy
We see another girl who's held your hand
And she acts like she doesn't care you're with me
But I know

She don't like the way I look on you
I make her nervous 'cause I don't fit in
With my deep brown eyes, cigarette, cowboy boots
I stand alone

Well baby, I wonder if you

Know what you're getting yourself into

Can you tell me, baby
What do you see in me?
I'm a fast ride, I'm a crashing tide
And I'm crazy

Can you tell me, baby
What do you see in me?
You've loved a long line of consistency
I'm a different breed

Whoa, whoa, whoa
Whoa, whoa, whoa
Whoa, whoa, whoa

Oh, can you tell me, baby
What do you see in me?
I'm a fast ride, I'm a crashing tide
And I'm crazy

Can you tell me, baby
What do you see in me?
You've loved a long line of consistency
I'm a different breed, different breed
I'm a different breed

What do you see in me, in me?
I'm a different breed
Can you tell me, baby?
Can you tell me, baby?
Can you tell me, baby, tell me, baby?

I'm a different breed
Tell me, baby
Tell me, tell me, baby
I'm a different breed
Tell me, baby
Tell me, tell me, baby
I'm a different breed
Tell me, baby
