

Carter's Chord "Goodbye Song"

Take off my shoes, Let down my hair
It's not quite enough of me, not enough for you to care
Summer is lonely, summer is slow
Run out the back door of the church I gotta go

Cause I can't hold on
This is my goodbye song
And I will scream it aloud

It's the same old chord, it's the same old mess
Fall straight to floor and take off my dress
Now I'm exposed, now I've come clean
Turn off the noise, rip at the seams

Cause I can't hold on
This is my goodbye song
And I will scream it aloud
I'm gone

Don't even know what I'm runnin' from
Music is over, the music is done
And it's been so long
I've been drivin' for years
And no one even knows I'm gone

And I can't hold on
So I'll sing you my goodbye song
And I will scream it aloud
I'm gone
