I got a splittin' heartache
I got some thirsty ears
Got some memories to wash away
But I ain't talkin' in tears
I've been listening to ya'll all night
I'm sure you're good old boys
I ain't one for complainin' but that racket you're playin'
ain't nothin' but noise

I wanna hear some beer drinkin' songs
About love that all went wrong
The kind that puts the honk in the honky tonk
I'll chug a lug a mug and sing along
Turn it up and I'll pour 'em down
A shot in between to help drowned her out
Keep 'em coming all night long
I wanna hear some beer drinkin' songs

I'm just a bull riding cowboy
Broke a whole lot of bones
But I ain't never been hurt like this
All the times I've been thrown
You know a woman can mess up a man
Till where he ain't thinkin' right
Boys if I were you, I'd change my tune or there might
be a fight

I wanna hear some beer drinkin' songs
About love that all went wrong

The kind that puts the honk in the honky tonk
I'll chug a lug a mug and sing along
Turn it up and I'll pour 'em down
A shot in between to help drowned her out
Keep 'em coming all night long
I wanna hear some beer drinkin' songs
