Well first off I'm an Okie  
So don't call me Tex  
No I don't mind you asking about this cast here on my  
leg  
I had a little bad luck with a bull in Santa Fe  
He stomped me good but I'll ride tonight  
Cause if I Don't I don't get paid  
No I never though about a safer line of work  
With a little more security that won't get me hurt

You can take away my pickup  
Put me in a black sedan  
Hang up my hat, spurs, and boots  
Ditch my Copenhagen can  
Put me in a high-rise office make  
Me wear a suit and tie  
But I'll be a cowboy 'til the day I die

Unless you're one of us you'll never understand  
Cowboy ain't just what I do  
It's who I am, It's how I think  
It's what I feel, It's the way of life I love  
And no it ain't like I had a choice it's in my blood

You can take away my pickup  
Put me in a black sedan  
Hang up my hat, spurs, and boots  
Ditch my Copenhagen can  
Put me in a high-rise office make  
Me wear a suit and tie  
But I'll be a cowboy 'til the day I die

You can take away my pickup  
Put me in a black sedan  
Hang up my hat, spurs, and boots  
Ditch my Copenhagen can  
Put me in a high-rise office make  
Me wear a suit and tie  
But I'll be a cowboy 'til the day I die

Yeah, I'll be a cowboy 'til the day I die
