Iâ€™ve been driving all night Iâ€™ve been driving on empty  
It seems like forever since I needed anything  
You see Iâ€™m not really tired though I havenâ€™t been  
sleeping  
Still I know Iâ€™m worn right to the bone

And I remember those days I spent with you  
When every moment was bursting  
With this life we knew would last forever  
The whole way home

Iâ€™m pulling off to the side Iâ€™m looking back up the  
highway  
I know Iâ€™m closer than Iâ€™ve ever been to home  
And with every mile Iâ€™m reaching into my memory  
I want to live the life Iâ€™m living  
I want to feel the road Iâ€™m on

Â...The whole way home
