There's something in your eyes
Is everything alright
You look up to the sky
You long for something more, darling
Give me your right hand
I think I understand
Follow me and you will never have to wish again

I know that after tonight
You don't have to look up at the stars, no-no-no-no
I know by the end of tonight
You don't have to look up at the stars
And I know if the love is alright
You don't have to look up at the stars, no-no-no-no
I know by the end of tonight you don't have to look
about the stars
No-no-no-no-no-no-no-no, no...

Tell me how you feel
And if I'm getting near
I'll tell you where to steer
You tell me where to steer, da-da-b-da-darling
Way above the clouds
And high above the stars
Through the unknown black holes
No one knows where we are
Ba-but, return to earth and do it all over again

'Cause I know that after tonight
You don't have to look up at the stars, no-no-no-no
I know by the end of tonight
You don't have to look up at the stars
And I know if the love is alright
You don't have to look up at the stars, no-no-no-no
I know by the end of tonight you don't have to look
about the stars

A-come away with me
Oh, fly away with me
Just for one night no one will ever know, no-no-no,
darling

I will leave you satisfied
Forever past time
You don't have to hide
You're free to fly

I know that after tonight
You don't have to look up at the stars, no-no-no-no
I know by the end of tonight
You don't have to look up at the stars
And I know if the love is alright
You don't have to look up at the stars, no-no-no-no
I know by the end of tonight you don't have to look up
at the stars

I know that after tonight
You don't have to look up at the stars, no-no-no-no
I know by the end of tonight
You don't have to look up at the stars
And I know if the love is alright
You don't have to look up at the stars, no-no-no-no
I know by the end of tonight we're looking down upon
them from heaven.
