I know your scared of that cockadoodle doo,
dont worry he aint gunna hurt ya.

I know you aint never milked a cow before,
you aint never slung hay from a second floor barn
door,
you never heard of daisy or ellie may,
well thats ok cuz we got all day,
back that thing up
throw it in reverse, let daddy load it up,
honey back that thing up,
if your gunna work a farm youv got to learn to drive a
truck,
honey back that thing up.

yea, yea right back here.

you aint lookin to at home in them cowboy boots,
but them pig tails n cut offs work on u,
your gunna learn to love this kinda life your gunna fit
right in,
shut up and drive,
and back that thing up,
throw it in reverse, let daddy load it up,

honey back that thing up,
if your gunna work a farm you got to learn to drive a
truck,
come on back that thing up. up up...

we still got alot to do
open the gate water the mule,
aint no time to play today no rollin in the hay, hey!
back that thing up

just go and throw it in reverse and let daddy load it up
for ya.

back that thing up!
if your gunna work a farm youv got learn to drive a
truck,
honey back that thing up,

come on throw her in reverse darlin get it on back here
to daddy,
need ya to pull it on the other side of the barn now,
u gotta turn them wheels,
