It's Friday night
The moon is high
Let's get my truck a little muddy
Old blue jeans
You and me
Baby we don't need no money
Cooler full of beer
Throw it in the back
Let your hair down
You know I like that

It's time to dress down
No we ain't goin' to town
Gonna park down
Where there ain't nobody around
Have a little fun now
We'll wrap our arms around
Each other on that blanket
On the river bottom ground
It's time to dress down

Baby your wankins' got me thankin'
Sittin' at's ole red light
We get there girl I swear
Hell it might take all night
I know heaven's waitin' on us
Can't drive fast enough

It's time to dress down
No we ain't goin' to town
Gonna park down
Where there ain't nobody around
Have a little fun now
We'll wrap our arms around
Each other on that blanket
On the river bottom ground
It's time to dress down

Ain't no city lights
Ain't no cars
Baby get ready

Cause we ain't far

It's time to dress down
No we ain't goin' to town
Gonna park down
Where there ain't nobody around
Have a little fun now
We'll wrap our arms around
Each other on that blanket
On the river bottom ground
It's time to dress down
Girl... baby... it's time to dress down!
