Don't you wake up yet, give me some time, to watch
you asleep
Oh angel of mine And I , I will be fine as long as your
near me Oh angel of mine
(chorus) But tomorrow if a Golden Train came to take
you away, would you go or would you stay?
Tomorrow if a Golden Train came to take you away,
would you go or would you stay?
Here in this cozy room just me and you, Oh cuddling
and kissing, making sweet love, shooting star wishing
and watch the sun come up
And then we'll sleep all day meet in our dreams and
live life our way drop it all off and we'll fly away, dip
through the stars and wake up slowly (?slowly slowly)
(Chorus)
One thing I know for sure is my love for you is deeper
then any root or stone and mamma told me so don't
walk the streets alone . I said..x2
(Chorus)
