you got your million bucks
you got your flashy sports car
you got your trophy girls
man you think you're a star
you got your teeth bleached
you like to play the rich game
yeah you think you're a cowboy
the new Jesse James

But i could kick your ass
i could jack your jaw
put you flat in the dirt boy
yeah i'd have a ball
so go ahead and act tough
like you're John Wayne's son
but things can change fast
i could kick your ass

try to steal my girl
you better bring your big friend
another one or two
cause you're gonna need them
you're a little too small

to be callin' me names
i'm bout to knock that smurkie little grin
right off of your face

i could kick your ass
i could jack your jaw
put you flat in the dirt boy
yeah i'd have a ball
so go ahead and act tough
like you're John Wayne's son
but things can change fast
i could kick your ass

(awe how bout it boys)

yeah i could kick your ass
i could jack your jaw
put you flat in the dirt boy

hell i'd have a ball
so go ahead and act tough
like you're John Wayne's son
but things can change fast
i could kick your ass
