It always occurs to me
How lovely you look today
Just how you smile that way
Makes my heart melt
Seemed like just yesterday
When you stole my breath away
You walked into my life
You completed my soul
When you walked into my life
You completed my soul

Now I'm in peace
Yeah yeah
I'm in peace
Whoa
I'm in peace when I'm with you
You set me free
You're all I need
Lift me off my feet
Beauty Queen

Where did you find that soul of yours
You must have traveled through heaven
And searched through the garden of love
I swear there's a light
When your eyes touch me
It's like the sun reaching down from the sky
When you touch me with your eyes
It's like the sun from the sky

Now I'm in peace
Yeah yeah
I'm in peace
Whoa
I'm in peace when I'm with you
You set me free
You're all I need
Lift me off my feet
Beauty Queen

Your whispering

It's uplifting
Sink into my body while I'm drifting
When you kiss me
Really truly kiss me
Connected by our hearts
We are one

Now I'm in peace
Yeah yeah
I'm in peace
Whoa
I'm in peace when I'm with you
You set me free
You're all I need
Lift me off my feet
Beauty Queen
