She likes and ice cold bud pressed against her hand
Standin' on the porch lookin' 'cross our land
Seein' a bass hit that top water
Knew that was my kind of woman first time I saw her

Yeah she looks good on my tractor
Good in my truck
Good on our bed when the sun comes up
She's good with a canepole
Good with a gun
Well its cornbread and sweet tea
Where she's from
She's my kind of woman
Good as they come

She'd rather be on a lake than in the mall
Or in a duck blind at daylight blowing that call
She likes to get hog wild in the middle of the day
Yeah my kind of woman likes to roll in the hay

she looks good on my tractor
Good in my truck
Good on our bed when the sun comes up

She's good with a canepole
Good with a gun
Well its cornbread and sweet tea
Where she's from
She's my kind of woman
Good as they come

Yep yep

She looks good on my tractor
Good in my truck
Good on our bed when the sun comes up
She's good with a canepole
Good with a gun
its cornbread and sweet tea
Where she's from
She's my kind of woman
Good as they come

Yeah she's my kind of woman
Good as they come
Ah she hunts and fishes and looks good in camouflage
she can even drive my boat
