There's a boy down the road on a bridge with his
fishing pole
There's a soldier huggin' his dad after gettin' home
There's a man in his overalls plowin' across his piece of
ground
You don't have to look far, all you gotta do is look
around

This is NRA Country
We love the stars and stripes
This is NRA Country
We love the outdoor life
We hunt and fish and teach our kids not to live life in a
hurry
It's where I was raised
This is NRA Country

We take pride in the work that we do and show up every
day
Like the ones that came before us that were built this
way
We'll stand up for what we love because we believe
In the USA, God and family and being free

This is NRA Country
We love the stars and stripes
This is NRA Country
We love the outdoor life
We hunt and fish and teach our kids not to live life in a
hurry
It's where I was raised
This is NRA Country

This is NRA Country
We love the stars and stripes
This is NRA Country
We love the outdoor life
We hunt and fish and teach our kids not to live life in a
hurry
It's where I was raised
This is NRA Country

It's where I was raised
This is NRA Country
NRA Country
