I'm tired of getting postcards  
And tired of paying long distance bills  
Baby be back soon  
I'm tired of dreaming of sex  
And tired of not being able to show my skills  
Baby be back soon  
Over and over  
I hear you in the halls  
Over and over  
I wake up with my pillows in my arms  
Oh baby when you coming home  
A day without you is a day without the sun

I've been missing  
Out on your love and your shadows  
And I can't go much longer babe  
Without you near I'm going crazy  
Be Back  
Be Back  
Be Back Soon

Yeeeah  
Oh!  
Yeaaahh  
Oh!

I'm tired of walking alone  
And tired of seeing happy couples walking by  
Baby be back soon  
I'm tired of making reservations  
At our favorite restaurant for just momma and me  
Baby be back soon  
Over and over  
I hear you in my head  
Over and over  
I wake up with you not in my bed  
Oh baby when you coming home  
A day without you is a day without the sun

I've been missing out on your love and your shadows  
And I can't go much longer babe  
Without you near I'm going crazy

Be Back  
Be Back  
Be Back Soon

Yeeeah  
Oh!  
Yeaaahh  
Oh!

It's Killing me  
Killing me  
How I can't get no love without our combination  
Killing me  
Killing me  
How I get so choked up with every conversation  
Killing me  
Killing me  
How I'm left in the rain while you are on vacation

Baby please let me know  
When you're coming home and I will meet you at the  
airport station [x3]  
Brrdrddababababa  
Baby when you coming back

I've bin missing out on your love and your shadows  
And I can't go much longer babe  
Without you near I'm going crazy  
Be Back  
Be Back  
Be Back Soon  
Yeaaahh  
Be Back  
Be Back  
Be Back Soon  
Be Back  
Be Back  
Be Back Soon

Yeeeah  
Oh!  
Yeaaahh  
Oh!  
Yeeeeeaaahh  
Oouhhna!  
Yeeeaahhh  
Yeeeaoooh
