(Verse 1)

Promise not to leave her, Said I'd never disappear
She knows I'll come back some day
Crying in the bathroom as the mirror disappears
Holding onto faded moments

(Bridge)

Momma- I think I did it again-
I got lost in the Wind again
Momma- I think I did it again-
I got lost in the Wind again

(Chorus)

I'll never leave You Heartless (Heartless)
Never leave You standing in the Darkness (The
Darkness)
Darling, Oh I Promise (Oh I promise)
I'll never leave You Heartless (Heartless)

Never gonna leave me,
Said she'd always be right here
Even when she's farthest away
Underneath your worry, the reason's always clear
Hold onto this very moment

(Bridge)

Momma- I think I did it again-
I got lost in the Wind again
Momma- I think I did it again-
I got lost in the Wind again

(Chorus)

I'll never leave You Heartless (Heartless)
Never leave You standing in the Darkness (The
Darkness)
Darling, Oh I Promise (Oh I promise)
I'll never leave You Heartless (Heartless)

Oh You know I'll never gonna let You down (down x2)
Oh You know I'll never gonna let You down (down x2)
Ohhh (down x2)

(Chorus)
No, I'll never leave You Heartless (Heartless)
Never leave You standing in the Darkness (The
Darkness)
(I'll never, I'll never)
Darling, Oh I Promise (Oh I promise)
(I won't ever let you down)
(Heartless, Heartless)
(You know...)
(Heartless, Heartless)
(You know, You know I'll never gonna leave you)
(A million miles away, I'll still find You x2) x3
Heartless
