swimming in this moment
guided by your sound
current strong and rolling
there isn't any doubt

i think i'm in love
it feels like my hearts exploding
and over the sun
a million lions roaring
and on my way to reach the gate
you take my hand and pull me in again
love, love

all the land and seasons
abide to make a new
well the air is full of motions
and every breath im taking in
i feel you now i feel you

i think i'm in love
it feels like my hearts exploding
the beat of the drum
a million lions roaring
and on my way to reach the gate
you take my hand and pull me in again

oh a hundred miles away
oh a hundred miles away
oh how i want to stay
ay, ay

i know i'm in love
i feel like my heart's exploding
the beat of the drum
a million lions roaring
and on my way to reach the gate
you take my hand and pull me in again
oh

now im in love
i feel like my heart's exploding
the beat of the drum

a million lions roaring
and on my way to reach the gate
you take my hand and pull me in again
you take my hand and pull me in again
love, love
