#### Verse 1:

Another Line, another Song  
Another thought you were gone  
It's in your eyes, in your hands  
Another trip to Babylon ohh  
The sky opened up above you  
The stars move out around you  
Flow like a river, when we kissing though

Every letter that I sent  
And every note that I read, baby I  
Read it with my whole heart.

#### Chorus:

And you lift me up  
You take my higher baby  
Than I could ever Imagine  
Baby you set me free  
All I know is that  
I couldn't find my way  
You took my hand and  
Shine a light on me  
You set me free  
And it feels so good now  
Yeah it feels so good now

#### Verse 2:

Another smile, another gaze  
Another feeling I can't explain  
Oh it's your eyes  
And then it's your hands  
Baby I'm flying high up again  
ohhh  
The sky opened up above you  
The stars move out around you  
Float like a feather when we kissing though

Every letter that I sent  
And every note that I read, baby I  
Read it with my whole heart.

Chorus:

And you lift me up  
You take my higher baby  
Farther than I could ever imagine  
Baby you set me free  
All I know is that  
I couldn't find my way  
You took my hand and  
Shine a light on me  
You set me free  
And it feels so good now  
Yeah it feels so good now

La now now now  
Now now now now now now  
now now now

Bridge:

Baby you are just an Angel  
And baby you are beautiful  
I'm flying over clouds  
I'm flying over bulidings  
I'm flying over stars  
But I am falling for you  
It's heaven on earth  
And it feels so good  
Now like heaven on earth  
And it feels so good now

Yeah Yeah Yeah Yeah  
Yeah yeah yeah yeah yeah

Chorus:

And you lift me up  
You take me higher baby  
Farther than I could ever imagine  
Baby you set me free  
All I know is that  
I couldn't find my way  
You took my hand and  
Shine a light on me  
You set me free  
And it feels so good now  
Yeah it feels so good now

Yeah  
You lift me up  
Take my high baby  
Farther than I could imagine

Baby you set me free  
All I know is that  
I couldn't find my way  
You took my hand and  
Shine a light on me  
You set me free  
Yeah yeah
