On my knees
I never meant what I said
Oh, baby please
Come home my world is fallen into pieces
And I can't go to sleep cause memories just hold my
dreams
And I try to move on but I keep hearing our song.
I don't know
If I can keep living without you

And I'm sorry for pushing you away
Yes I am sorry for breaking your heart
I'm sorry for turning my back when you needed me
I'm so sorry baby

I'm alone,
So alone and time just
Keeps passing me by
Oh baby when you're gone
Yes I'm always passing by
Your house just to see if your lights are on

"Oh baby please, come back into my life
I need you now, yeah"

And I'm sorry for pushing you away
Yes I am sorry for breaking your heart
I'm sorry for turning my back when you needed me
I'm so sorry baby

Oh baby please look I've been every single night,
And I don't see the sun I don't see the stars
Oh baby won't you please come back into my life
Oh just forgive me
Look I know I hurt you real real bad
But if you just give me one more chance,
Just one more chance
I promise imma do you right this time

Oh give me one more chance, imma do you right this
time
Oh give me one more chance, imma do you right this

time

And I'm sorry for pushing you away
Yes I am sorry for breaking your heart
I'm sorry for turning my back when you needed me
I'm so sorry baby, oh
Oh, oh oh oh ohh oh

Oh for making you cry
Yeah for breaking your heart
