Well I'm alone
and you're well gone and I can't fight it
You said goodbye
and I asked why and started crying
I can't sleep and I can't write
and I can't fight it

But you always said if a wave came by then we would
ride it
yea
Well I'm sinkin' baby and I'm drownin' alone
Slowly slippin' away from all of my life goals
Oh

Well Jenny, Oh Jenny, have you seen my soul
I think it fell inside your suitcase when you left me
alone
Well Jenny, Oh Jenny, have you seen my soul
Without it I aint, aint got no soul
Aint got no soul
I'm the soulless man
I'm the soulless man
I'm the soulless man
I'm the soulless man

Ohhh aw na na na

Baby I just wanna ask you how you did it
Broke my heart, stole my watch, and all my money

Did you mean what you said when we were cuddlin'
Do you still look up at the moon like you said you would
at 3:02 in the mornin'

Well Jenny, Oh Jenny, have you seen my soul
I think it fell inside your suitcase when you left me
alone
Well Jenny, Oh Jenny, have you seen my soul
Without it, I aint, aint got no soul
Aint got no soul
I'm the soulless man
I'm the soulless man

I'm the soulless man
I'm the soulless man

Pick up your phone, pick up your phone,
Oh yea baby
Pick up your phone, pick up your phone,
I just wanna hear your voice one more time
hey hey heyyyy

Well Jenny, Oh Jenny, have you seen my soul
I think it fell inside your suitcase when you left me
alone
Well Jenny, Oh Jenny, have you seen my soul
Without it I aint got no soul
Aint got no soul
I'm the soulless man
I'm the soulless man
I'm the soulless man
Soulless man
