Walking down to grab some food on Bloor St.  
Sunny Day, sunny Day, sunny Day.

I didn't expect to see no rain,  
but there it was pouring off of your face.

Hey...Why, why did he let you go?  
All I know is he must of been crazy.

How could he have let you go?  
All I know is he must of been crazy.

Darling, wipe those tears from your eyes.  
You're much to pretty to be having such a day that can  
bring you down.

Let me bring you up.  
Heading to the sky.  
I'll you show you love.  
I'll show you that crazy fool told you lies.

Why, why did he let you go?  
All I know is he must of been crazy.

How could he have let you go?  
All I know is he must of been, must of been, must of  
been crazy.

Baby, you're the throne.  
You don't need that crazy fool nah, nah.

Oh nah...Here's what we should do.  
You and I should leave this fool behind and start  
something new.

Hey hey ooo ooo oooo oo

Why, why did he let you go?  
All I know is he must of been crazy.

How could he have let you go?  
All I know is he must of been, must of been, must of

been crazy.

Nah, nah, nah, nah, nah...nah, nah, nah, nah, nah

Baby, how could he have let you go?

He must of been, he must of been crazy.
