"To Be Loved"

I don't know why I fear of things
That are not there
Or why sometimes your touch
Is more than I can bear

Or why these broken wings
They fit me like a glove
But I know that I love
To know I'm loved

I don't know why when I am
Blinded by the pain
And give my comfort you
When you feel the same

The darkness melts away
And the sun breaks through above
And I know that I love
To know I'm loved

I don't know why I hate the sound
Of my own voice
And would you have me sing for you
If you had the choice

Is mine a pretty song
Does it move in you enough
For you to know that you love
To know you're loved

So touch me now no matter how
I cry or scream
Unless love wakes me
I shall never rest nor dream

And bind me in your arms
Or else I'll not be free
Nor ever mended whole
Until love shatters me

I'll give you all I am
And pray that it's enough

Just to know I am loved
To know I am loved
Just to know I am loved
