Laying in my bed tonight-  
Before I got myself up to write this song  
2AM - paper/pen - contemplating  
The struggle we're engaged in -  
Does anybody really even care?  
But then I thought of your letter and I knew better!  
So I'll do it again - yeah I'll sing it again  
For my family, myself, my friends, THE KIDS!

[Chorus:]

Thanks for the letter that you sent  
Reminding me not to give in!

"Dear Punk Rock Star:

I'm just kidding - but I like to call you that now and then  
just for fun.

I like your attitude.

I like your songs, I've been a really big fan since I can't  
remember when?

See there are some times when I feel really alone,

cause I don't really have any friends, and I don't fit in  
at school.

The gym coach called me a "fag" in front of the entire  
class,

so now everyone puts me down by saying I'm gay.

But I don't care because I have nothing against  
homosexuals

and the gym teacher is an asshole!

I think the things you say are important.

Thanks a lot.

Keep fighting!"

[Chorus]

Thanks for the letter that you sent  
Reminding me not to give in!
