Everybody on the wall
What you think you come here for
If you got anything left at all
You can meet me on the floor

Or you can see me at the top
Cos I'm the guy that never stops
And when you think you had enough
I'm gon make you want some more

I move like a dance machine
And I stay on the winning team
I move like a dance machine
You always know when I'm on the scene

I'm gonna give it all I got
Then I'm gonna give some more
Till I reach the top
I'm gonna leave it on the floor

I want them screaming out my name
Rushing me up on the stage
This story gon be made again
17 and kinda fly... so fly

So what's the matter with your dance
Get on the floor and try again
You still aint seen the best of me
Heard the best of me
Felt the best of me

I move like a dance machine
And I stay on the winning team
I move like a dance machine
You always know when I'm on the scene

I'm gonna give it all I got
Then I'm gonna give some more
Till I reach the top
I'm gonna leave it on the floor

I know

Know that I wont be denied
I gotta let em know
That's why I cam here tonight

Leave it on the floor

I move like a dance machine
And I stay on the winning team
I move like a dance machine
You always know when I'm on the scene

I'm gonna give it all I got
Then I'm gonna give some more
Till I reach the top
I'm gonna leave it on the floor
