Don't give me, the look you gave my friend.
Girl feel me, I want u baby let's pretend,
You and I flying across the sky, to be apart is such a
crime.

Don't stop girl, you can keep on working men,
I'm not shy girl, now don't you be afraid of it.
Don't speak now; I want you to be my fantasy,
That's the way it's got to be.

I like the way you move me, keep it moving, I can keep
it moving

I like the way you move me, keep it moving, I can keep
it moving

I like the way you move me, keep it moving, I can keep
it moving

Away, away, away... Keep... keep... keep... it moving

I like the way you move me, keep it moving, I can keep
it moving

I like the way you move me, keep it moving, I can keep
it moving

I like the way you move me, keep it moving, I can keep
it moving

Away, away, awaaaaayy... Keep... Keep... keep moving!

Let's dance now, if you can't keep up with me,

One chance now, girl I ain't no guarantee.

Just give me all that you got to give,

It's the only way to live...

No hurry, men I know what's on your mind.

Don't worry, girl I do this all the time.

See something special, it's in your eyes;

Don't act like you're so surprised!

I like the way you move me, keep it moving, I can keep
it moving

I like the way you move me, keep it moving, I can keep
it moving

I like the way you move me, keep it moving, I can keep
it moving

Away, away, away... Keep... keep... keep... it moving

I like the way you move me, keep it moving, I can keep
it moving

I like the way you move me, keep it moving, I can keep
it moving
I like the way you move me, keep it moving, I can keep
it moving
Away, away, awaaaaayy... Keep... Keep... keep moving!
You... put your hand in mine
You can move... it from side to side.
No one, makes me wanna... take you for a ride,
You can let me be... Let me be your guy.
I teach you how to... feel alive

Oh, oh, ohhh, keep it moving, I can keep it moving
I like the way you move me, keep it moving, I can keep
it moving
I like the way you move me, keep it moving, I can keep
it moving
Away, away, away... Keep... keep... keep... it moving

Oh, Oh, Ohh, I can keep it moving tonight (don't stop
me)
Oh, Oh, Ohh, don't stop... don't stop...
I can keep it moving tonight
Oh, Oh, Ohh (its magic)
I can keep it moving

Feel me now?, feel it!
Keep... keep... keep moving!
All night, all night!

Keep it moving, I can keep it moving, I like the way you
move me
Keep it moving, I can keep it moving, I like the way you
move me
Keep it moving, I can keep it moving, away... away...
away...
Keep, keep, keep moving
