She is breaking down  
And we are watching her die  
All our excess is  
Enough to put the blood on our hands

OH God what have we become  
Are we saints wearing clothes paid for in blood  
Say it aint so  
But our actions are proof enough

Where you treasure is  
There your heart will be  
Where your treasure is  
There your heart will be

She's going away  
And it hurts to feel her leave  
Oh God She's going away  
And we are the knife in her spine  
It's not enough to say you believe  
It's not enough to say you believe  
It's not enough to say you believe

We are deceived  
If we do nothing  
But save ourselves  
We are deceived  
If we do nothing  
But save ourselves
